

# Langton

This model evokes modern luxury beautifully. Available in a choice of sofa sizes, together with a stunning lounge unit, this model will create a centre piece to a living room. The model features a well appointment arm which further demonstrates its luxurious credentials.

As standard, the fibre seat interiors provide an exceptional sit, both informal and supportive. However, for those customers requiring a more supportive sit, foam upgrades are available at additional cost. All scatters are feather filled. Leg options include weathered oak or American walnut.
